Survival.

Shit... it's always been ABOUT survival.

On the surface, Metro City is like any other metropolis.

Most people don't see the world that I live in.

And I don't blame them.

In the gutter, beneath these towering concrete giants...

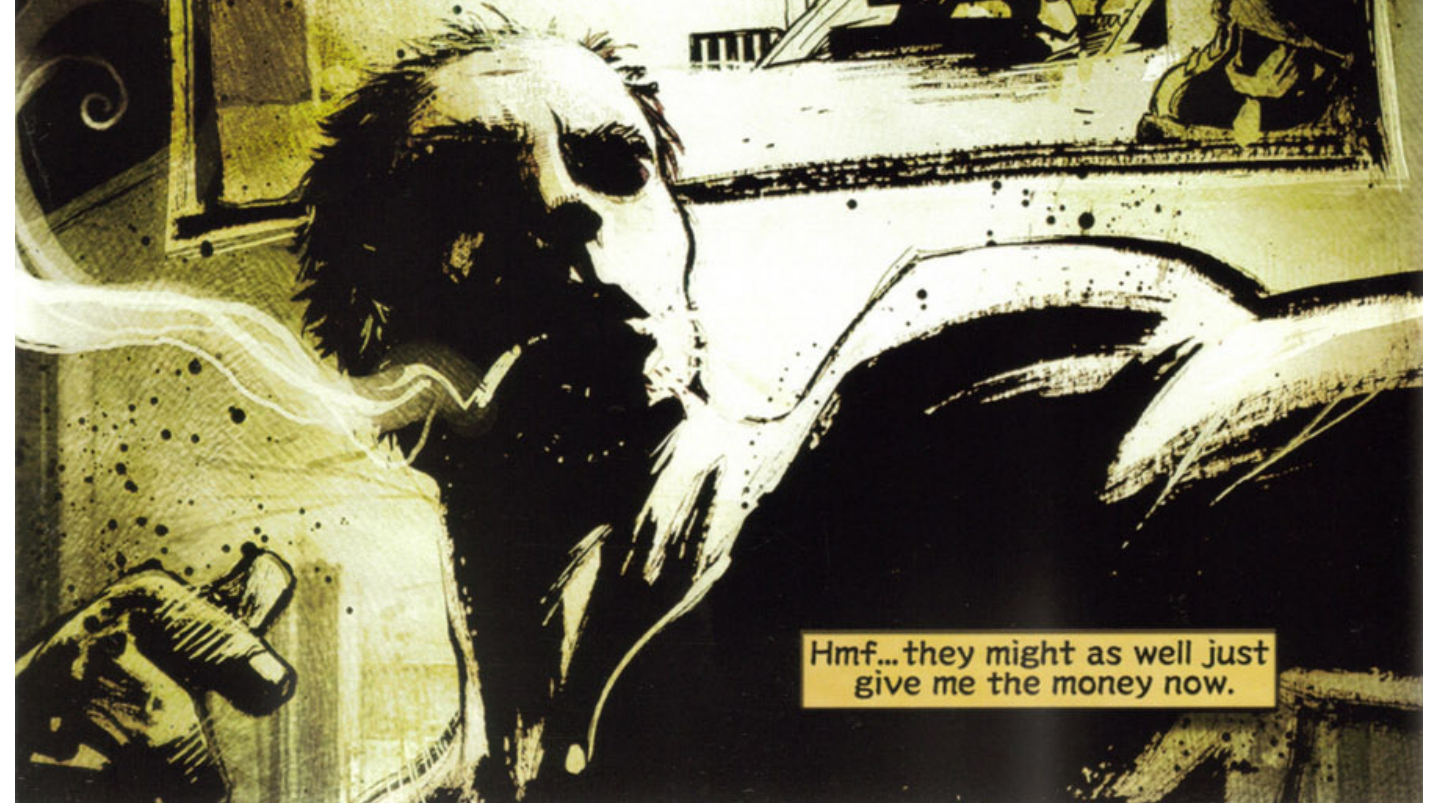

In the underground bare-knuckle boxing clubs...

You can be made a hero or a chump in one fight.

And I wouldn't have it any other way.

Hmf... they might as well just give me the money now.

Come on,
you girlie little
bitch!

Or do my
looks intimidate
you?

That's "Handsome Bob".
He THINKS he's a lady
killer, and mostly just
fights for the attention
of the crowd.

Talk sweet
to me, sugar
mouth.

I got your
sugar!

UGH!

Bob's bones
crackle under
my fist...

Sometimes I
love my job.

What do
ya say you just
stay down before
someone gets
hurt, Bob?

F***in'
piece of shit,
Travers...

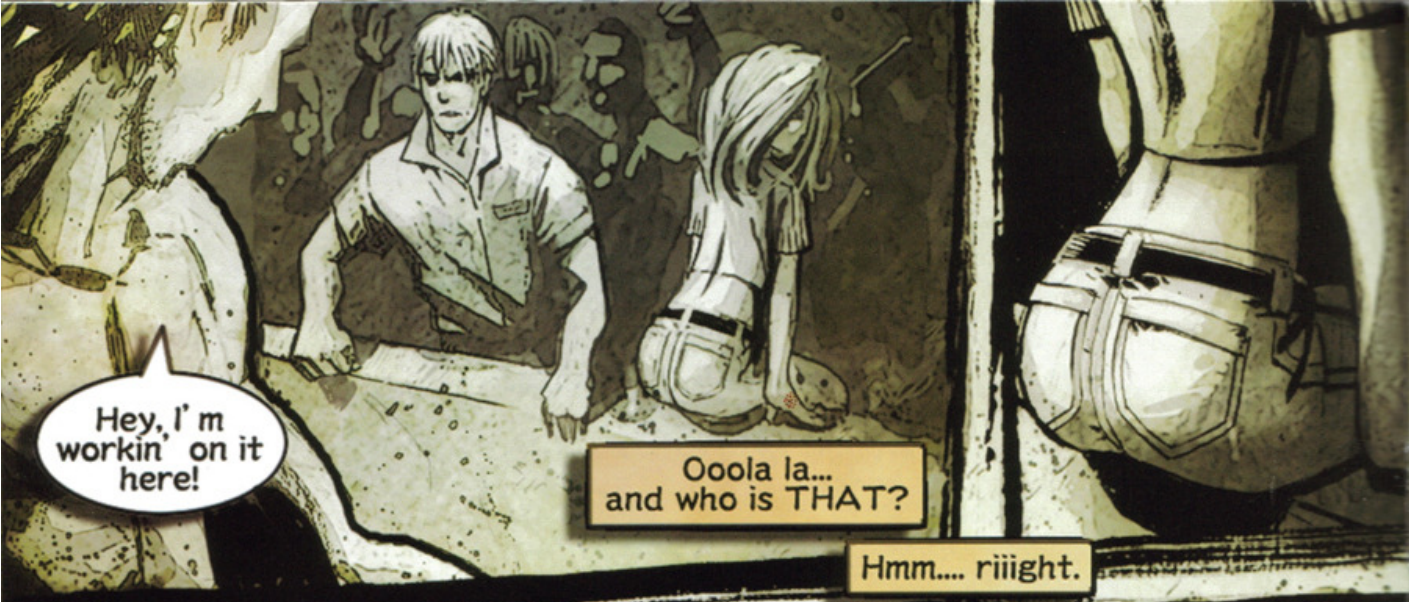

Ya hit
like a girl,
too.

Dammit
Kyle!!!

Quit f***in'
around with
this guy!

That's my
brother Cody.

He's kind of a hardass,
but... he's always been
there for me.

Hey, I'm workin' on it here!

Ooola la... and who is THAT?

Hmm.... riiight.

Yeah... tha's some sweet badunkadunk.

CRACK!!

OOOOOOOOOOF!

Caught off guard with the stinging taste of blood in my mouth...

when everything goes black, you lose track of time.

Cody's gonna give me hell for this.

KYLE!!!

GODDAMMIT
KYLE!!!
What the hell
happened to
your
focus?

Cody...

Shit, I must have
blacked out.

Quit f***in'
around with this
guy!!!

Oh I'm
GLISTENIN'!
You're just
makin' me look
GOOD!

Watch yourself
Kyle. Don't mind
the crowd... Just
watch his move-
ment.

Cody's talking something
about the crowd... focus...

Christ I don't even know
where the f**k I am!

Don't listen to him.

For a moment, the ringing in my head stops... And then the rage sets in...

I wanna wipe the floor with this guy... make him regret his life....

You gonna sit on the sidelines all night, or are you gonna fight me?

But Cody's right... Keep calm... Wait for the window.

Watch him... when he loses his cool, he charges you. That's the time.

He turns to the crowd, and leaves himself open.

KEEP IT UP BOB!

Well, it's about time! Did you enjoy your little nap?

Wait for it... stay ready...

That's the sweet spot.

And silence splits
into a wild fury of
exhausted beer bottles
and hungry wallets.

A chump...

And a hero.

This is what I
give them.

The impact cracks
the shouts and
cheers in half.

Hate to admit it...
but Cody was right....

...again.

Now THAT's
pretty.

And they give me
enough cash for
smokes and a beer
of my own.

That's my role.

He's kind of a
hardass.... but he's
always been there
for me.

Not sure what
I'd do without
him.

That's IT?

We're makin' ends.

Ya had a good night kid. But you gotta learn to adapt. Every fight is going to be differ...

Aww, Christ...

Listen bro... I won the fight, didn't I???

It's the same speech every time.

It's not always about winning and losing.

I'm not always gonna be there to help you out. ya know.

Yeah, yeah... But family sticks together, bro.

What a pain in the ass.

We've practically raised each other.

But I know that he's right.

We gotta celebrate. Let's hit the Barfly.

How about 30 minutes? I got things to do first.

Things? What kind of "things"?

You know... "things".

That's not even an answer...

Somethin's up with Cody.

That's the guy that beat up Bob!

flip

Get him,
boys!!!

BARFLY

Later, at the Barfly.

Yo... rack 'em up!

Ooh... Sounds like somebody has some money to lose.

But first...

If you were in a bar brawl...

Which end of a pool stick would you use to kick someone's ass?

Hey now...

Don't try to distract my game with circular logic.

Looks like you had a little trouble tonight.

Baby, you need to be more careful with that face. I like it the way it is.

Who needs a perfect face?

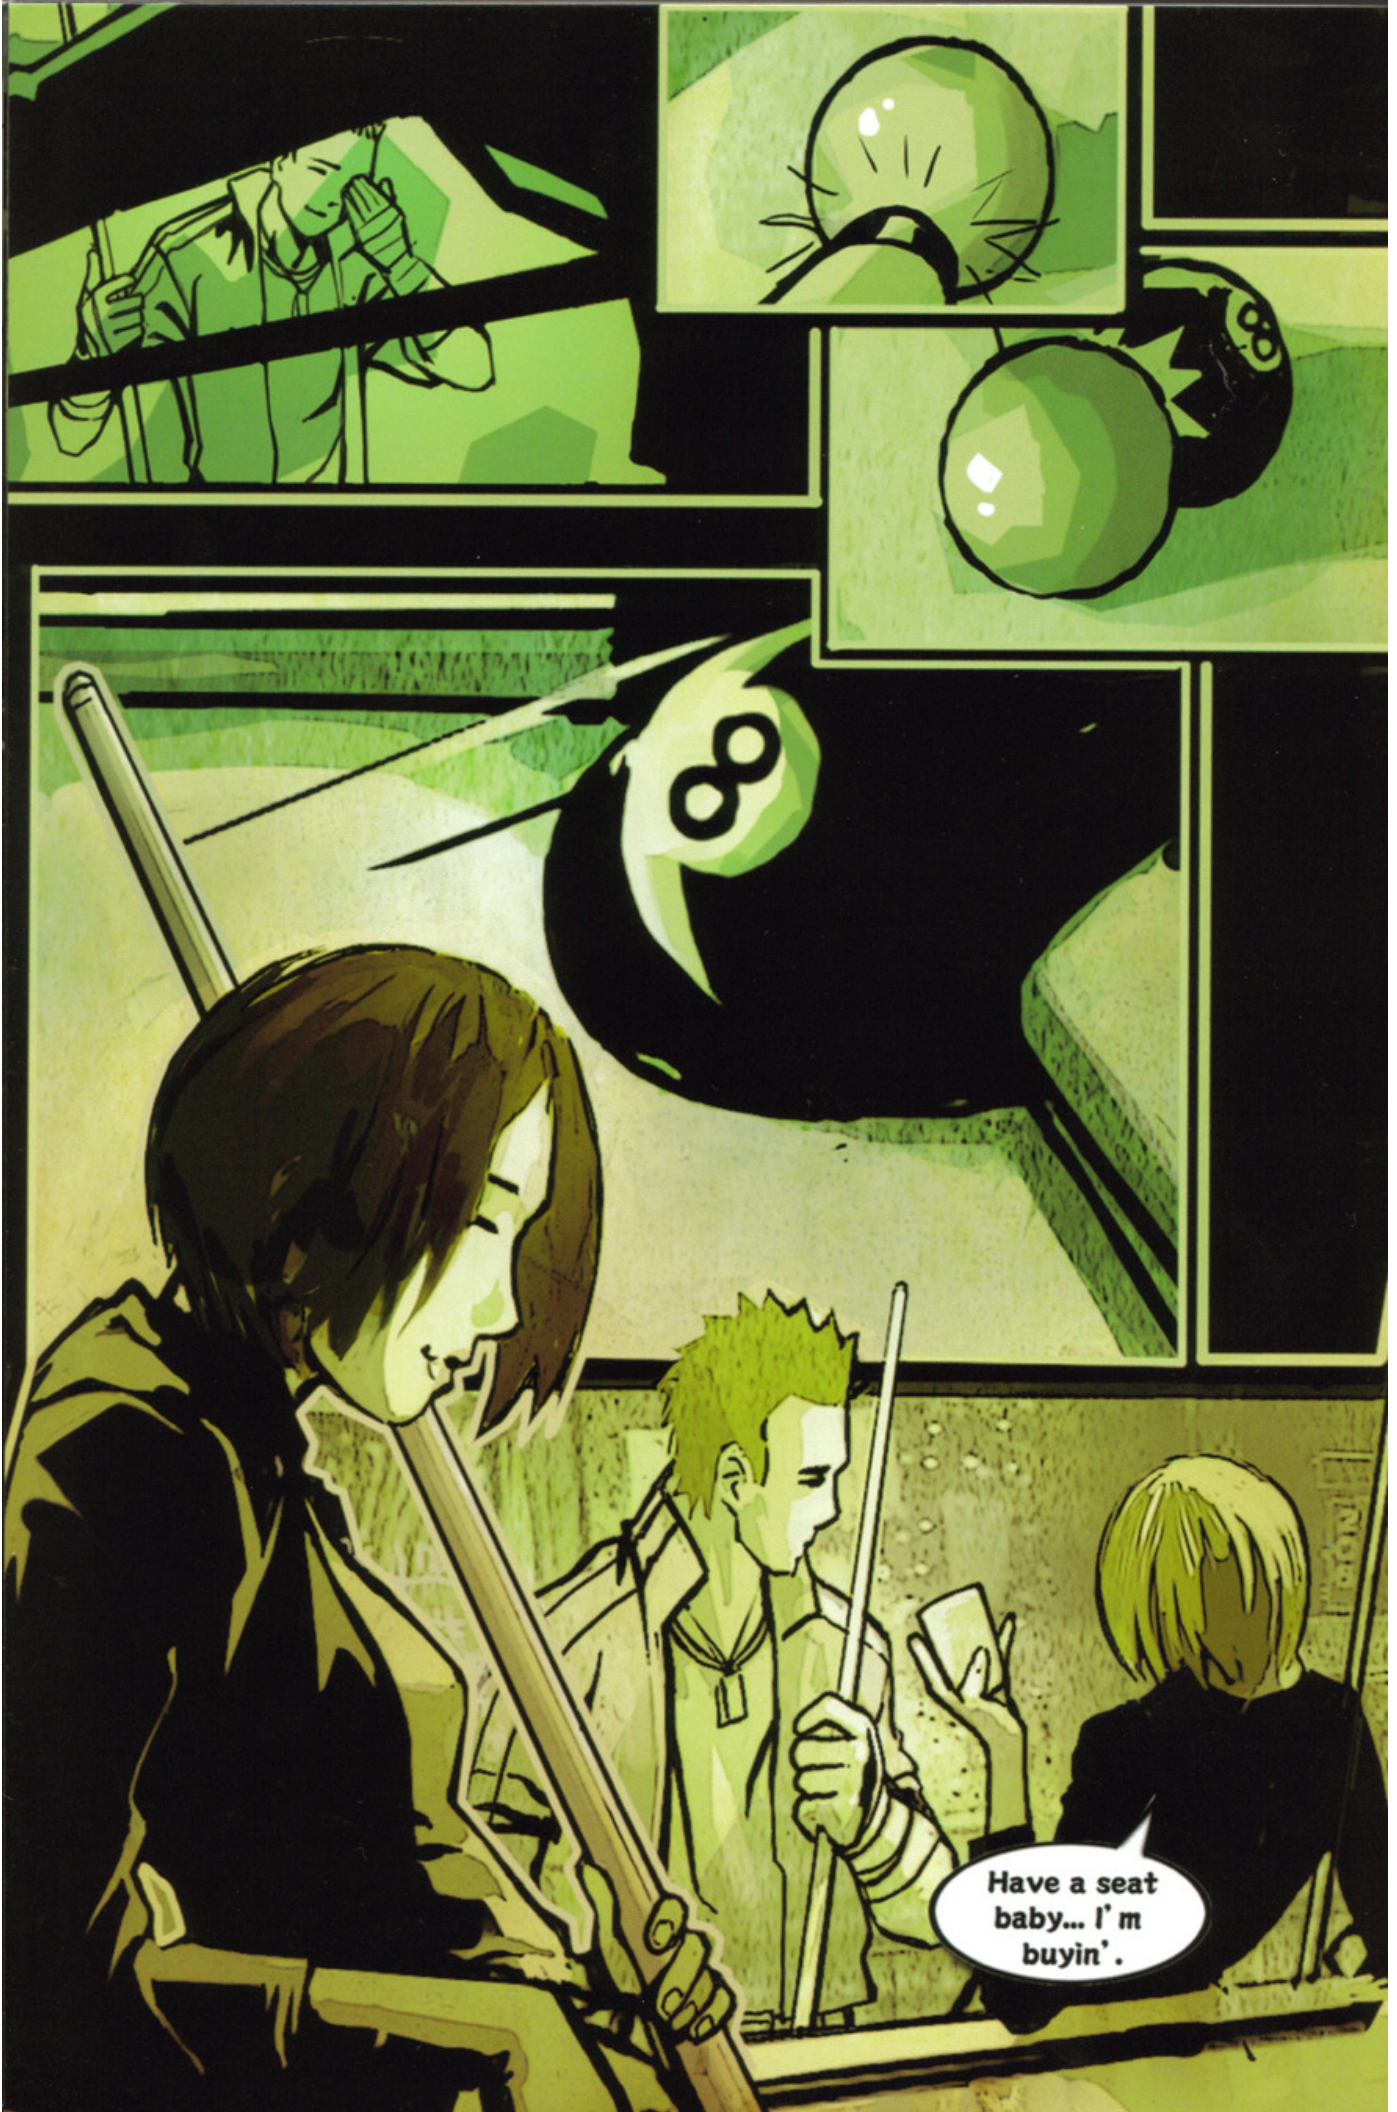

I've seen how much trouble it brings YOU.

Haven't you heard?
Good girls like me enjoy a little trouble now and then.

That's my girl...
Vanessa.

Sexy AND
tough. Damn.

Have a seat
baby... I'm
buyin'.

You said 30 minutes. It's been an hour.

I've been thinking 'bout fighting again.

Come on! THIS again!?

Listen, Kyle! I'm on to something... Something I think I'll help...

Help stick you
in a wheelchair!

You KNOW
your knees can't
handle it!

You think I like sitting
on the sidelines like a
bitch? I wanna be back
in the shit again!

All of my life
I've been a
fighter...

Without it...
I'm nothin'.

He wants to
see you. Now.

Go f**k
yourself Stiff...
He knows the
deal.

Deal's
changed.

Your move, asshole..

Who are these motherf***ers!?

It's nothin'.

Interesting.

Who the f**k is THIS?

Better yet, what kind of shit has Cody stepped into here?!

One thing's for sure: This guy means business.

I'd just like to know what exactly that business is.

Who the f**k do you think you are?

Thought you said your brother could fight.

Either way... You're comin' with us, Cody.
